Benefits for Greater Reality Living® Group Facilitators

by Mark Pitstick, MA, DC

Dear facilitator,

Congratulations on your interest in volunteering to establish and facilitate a local Greater Reality Living® group in your area! Here is a list of the benefits that facilitators receive. Please note that we may update and change products from time to time.

1. nine hours of online facilitator training via Zoom. You will have a chance to ask some personal questions of me during this training. In addition, you will be among the first people on the planet to learn more about the ongoing SoulPhone™ ‘spirit’ communication research technology.
2. free admission to all Greater Reality Living group meetings and, after three months of service as a facilitator, complimentary admissions to my webinars.
3. free digital copy of the *Greater Reality Living* book.
4. two complimentary digital products from [Store](#) at SoulProof.com after three months of active service as a facilitator.
5. two additional complimentary products after each three months as an active facilitator.
6. most importantly, a meaningful opportunity to reach out, as part of a team of dedicated volunteers, to many people. Through our collective outreach, our world connects in all aspects and dimensionalities of unity and possibility. It all starts with sharing information and making connections with others right in your community!

I look forward to meeting you online and perhaps in person one day.

Love and light,
Mark
